### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: As stated on page 6 of Applicant's amendment filed January 28, 2005, claims 10-13, 14/10 and 16/10-21/10 were allowed and claims 7/2, 14/1, 14/2, 20/1 and 22 were indicated as containing allowable subject matter in the previous Office action filed July 27, 2004. Applicant's amendment incorporates the allowable subject matter of claims 14/1 and 14/2 into independent claims 1 and 2, respectively; rewrites claims 7 and 22 into independent form; and rewrites claim 20/1 into independent form as newly-added claim 23. Since the remaining claims have been previously allowed or are dependent upon independent claims 1 & 2 and an updated search of the prior art did not yield any other references pertinent to Applicant's claims, it is considered that the application is currently in proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
